

THE TRIAD

A REFLECTIVE COMPANION FOR TAROT

What it is

THE TRIAD is a single reflective card designed to be used alongside any tarot deck. It does not tell you what a tarot card means. It asks three questions that can widen the reading you have already made.

FOCUS

What is this reading making easiest to notice?

ABSENCE

What might this reading be making easier to miss?

ELSEWHERE

What might matter that is not organised by either of those?

How to use it

- | | |
|---------------------|--|
| 1. SINGLE CARD | Read the tarot card normally. Then ask FOCUS, ABSENCE and ELSEWHERE about that reading. |
| 2. CARD + CLARIFIER | Read the card and clarifier together. Then apply the three TRIAD questions to the combined interpretation. |
| 3. COMPLETED SPREAD | Complete the spread first and form an overall statement. Then let THE TRIAD interrogate that statement. |

Reflect, then stop. ELSEWHERE may be empty. “I don't know” is a valid outcome. The user remains the final authority.

Safety boundary

THE TRIAD does not predict, diagnose, reveal hidden facts, determine another person's private thoughts, convert symbolism into evidence, or replace medical, legal, financial or safety-relevant evidence.

Free public access

No person should need money in order to encounter, use, understand or reproduce the essential TRIAD.
