

mani DUCHENNE festo

is a serious disease that **affects** who are most precious to us
our children  Duchenne is a rare disease but
our community is strong and united  We are
a global army, marching together to defeat Duchenne 

Fighting Duchenne together  Collaborating as a world network to help

Improving i n d i v i d u a l s e v e r y w h e r e 
standards of care  We

promote **Accelerate**
education  research from the clinic to global access 

Time to: make the present better and build a happy future

We count on you:

Help raise awareness

Quality of life: even if our children are affected by Duchenne they have to have the same rights and opportunities 

They need access to
good care / therapies / interventions
